THE POSTER PITCH

Event Description:

The Poster Presentation event encourages participants to creatively showcase technological and scientific advancements through concise, visually compelling posters. This competition highlights the importance of clear design and impactful storytelling, offering participants the chance to present research and innovations that prompt insightful discussions.

Topics (Not Limited to This List):

- Internet of Things (IoT)
- World Driven by a Computer Chip
- 5G Technology
- Technological Evolution in Scientific and Medical Fields
- Artificial Intelligence and Machine Learning in Everyday Life
- Blockchain Technology and Its Impact on Secure Transactions
- Quantum Computing: The Future of High-Speed Processing
- Edge Computing: Enhancing Data Processing at the Source
- Cybersecurity in the Digital Age
- Smart Cities: Innovations in Urban Infrastructure
- Wearable Technology and Its Applications in Healthcare
- Green Technology: Sustainable Innovations for the Future

1. Poster Requirements:

Poster Size: Participants must bring their own A1-size printouts.

Recommended Dimensions: A3 size (297 x 420 mm) or A1 size (594 x 841 mm).

Content and Design:
Right End Placement: Include the abstract title, designer and co-designer details (name, contact number, and email), and institution name.

Layout: Ideas should flow logically from one section to the next.

Text: Keep text to a minimum to emphasize visuals.

Visuals: Use high-resolution images, charts, and graphs to convey data avoid large tables of raw data.

Font Size: Ensure the text is large enough to be readable from a distance.

2. Poster Content Guidelines:

Structure and Focus:
Posters should promote technical discussions by focusing on the assigned topics.
Maintain simplicity by concentrating on key points and data that support conclusions.
Avoid overloading the poster; present only sufficient data for clear conclusions.

3. Presentation Format:

Oral Presentation: Participants must give a PowerPoint (PPT) speech that explains their poster in detail, covering its technical aspects.

Mounting: Participants are required to mount their posters on the day of the event.

4. Event Rules:

No Soft Copy Allowed: Only hard copies are accepted; participants should bring their A1-size poster printouts.

Team Size: Each team can have a maximum of 2 members.

5. Code of Conduct:

Ethics and Integrity: Ensure that all content is accurate, ethically presented, and professionally formatted.

6. Certificate Policy:

Physical Certificates: Awarded exclusively to the top 10 teams
E-Certificates: Provided to all participants.
Certificates will be emailed within 5–6 working days.

t

All rules are subject to change without prior notice, and the organizing team reserves all rights.
